We are able to offer club members the convenience of paying club bills by credit card. By providing the information below, **we will charge the entire amount of your invoice to your Mastercard, Visa, or Discover card.** Paying club dues by credit card allows the club to receive the total immediately, yet still giving you the option of spreading out your payment for as long as you wish. This saves the club additional costs of billing and charging late fees.

## Authorization to charge your credit card

Print name exactly as it appears on your credit card:

---

Credit Card Number: \_\_\_\_\_ Exp Date: \_\_\_\_\_

Type of card (circle one)      Mastercard                  Visa                  Discover Card

Signature \_\_\_\_\_

Date: \_\_\_\_\_
